

FACT: President Trump did NOT praise White Nationalists or neo-Nazis.

The Ponderance Society

The Left is lying about President Trump daily. If you listen to CNN, MSNBC, NBC, CBS, ABC you are being lied to. If you are watching *Don Lemon* or *Rachel Maddow* or listening to *Bernie Sanders*, you are being lied to. And if you believe *Joe Biden* you are being lied to. Worse, these people are intentionally misleading you. **It is not by accident.** They all know the truth they just do not want **you** to know the truth. How could they not know?

One lie each of them consistently spread is that President Trump praised *White Nationalists* and *neo-Nazis* in his Charlottesville comments. *He did not.* **And they know it he did not.**

Here is what President Trump said:

“You had some very bad people in that group but you also had people that were very fine people, *on both sides*, and I’m not talking about the neo-Nazis and the White Nationalists because *they should be condemned totally*. But you had many people in that group *other* than Neo-Nazis and White Nationalists. Now in the other group also you had some fine people, but you also had troublemakers and you see them come with black outfits and with the helmets and with the baseball bats. There were people protesting very quietly the taking down of the statute of Robert E. Lee. I’m sure in that group there were some bad ones. The following day it looked like they had some rough, bad, people. You had a lot of people in that group that were there to innocently protest.”

Here is the VIDEO PROOF of what he said:

So, you see **Joe Biden and the Leftist MSM are lying to you.** They are misrepresenting what the President said which means they are lying to you **on purpose.** The entire Left-leaning media has jumped on the bandwagon to spread this lie to the American people. *You should be smarter.* And now you have no excuse not to be smarter!
